Welcome to the Apprenticeship in Hospitality Scotland Alumni

I am very excited to share the launch of the Apprenticeship in Hospitality Scotland Alumni.

As an AHS apprentice graduate you are now invited to join the Apprenticeship in Hospitality Alumni. The aim of the Alumni is to grow a professional network, organise reunions and showcase you as a shining example of what can be achieved as an AHS graduate.

Once you have been an AHS apprentice, one thing can be guaranteed, you are part of a world-class family network. Continually focused on partnership, professionalism and inspiration.

The AHS network will always support you in your career from today and into the future. You have successfully been part of a world-class training programme here in Scotland and now we hope we have set you up for a fantastic career in hospitality.

Wherever that exciting journey takes you, here at home in Scotland or across the globe; remember where it all started. Keep in touch, share your experience and reach out to us when you need to. And, if we reach out to you, please share your experiences and knowledge to the next generation of AHS apprentices. I look forward to hearing how this network of fantastic people grow, develop and inspire.

Stay in touch.
